by Dr. George Bullard

Course Components

- **Video-on-Demand Sessions**

Almost 6 hours of high-definition videos delivered in seven on-demand sessions you can watch online at your own pace.

This lecture covers elements of an assessment and learning pre-season to prepare congregational leaders for a Spiritual Strategic Journey. This Journey is a process for empowering congregations to reach their full Kingdom potential. The three seasons of the Journey are explained in a way that can—along with the required reading for the course—provide navigation for a congregation to engage in a Spiritual Strategic Journey.

The goal is for a congregation to live into their Future Story of ministry as a congregational movement.
